## 2012 Performance & Impact Snapshot

### Introduction

HandsOn Central California, as a member of HandsOn Network, is guided by the shared purpose to inspire, equip, and mobilize people to engage in volunteering and service. To celebrate HandsOn Central California for its contribution to the local community and to a dynamic and diverse Network, this snapshot was created based on the data collected in the Annual Affiliate Report (AAR). The snapshot also provides comparative data for Network peers with similar operating budgets (\$1,000,000 to \$2,999,999.99).

## Our Network

In 2012, 219 Volunteer Action Centers nourished communities by harnessing the caring power of greater than 1.6 million people throughout a vibrant web of opportunities, which resulted in nearly 20 million volunteer service hours valued at \$440 million nationally.

### ***HandsOn Central California Connects***
