# Connecting People with Purpose

December 2019

Dear Friend,

It's because of supporters like you that HandsOn Suburban Chicago (HOSC) has had another successful year! This past year over 1000 more volunteer connections were made by our organization to over 100 area nonprofit organizations in 44 communities.

We thank the Foglia Family Foundation for their extremely generous support. This new funder enabled HOSC's signature school programs to grow, serving more than a thousand at-risk children in five communities. These students benefited from tutoring, mentorship, and academic and social support to help them advance to the next grade level.

This year was also very memorable at HandsOn Suburban Chicago. We celebrated our 50<sup>th</sup> anniversary through monthly newsletters chronicling HOSC's storied history. The newsletters highlighted significant milestones in the past, along side information about our current impactful programs.

In April, HOSC held a special 50<sup>th</sup> anniversary fundraiser at the Arlington Ale House, which the First Bank of Highland Park sponsored. This event featured appetizers, drinks, bingo, a live jazz trio, and enticing raffle and silent auction packages. The fun-filled evening netted the organization over \$12,000!

As we close out the year, we want to thank all those who have supported and contributed to HandsOn Suburban Chicago over the last fifty years, making it the outstanding volunteer connector organization it is today.

Please help us keep the momentum going for years to come. We encourage you, and your friends and family to consider making a donation of \$50 in honor of our golden anniversary!

Thank you, and best wishes for a happy and healthy new year.

Sincerely,

**89** organizations posted **821** opportunities on our website to recruit volunteers.

## Volunteer Age Ranges

**125** community members attended **5** VOL 101 classes to learn about how to volunteer.

**100** volunteers received training in best practices to serve in schools.

"HOSC is an amazing resource for organizations and for volunteers. We were in search of a volunteer for Pioneer Day with a very specific set of skills in spinning and weaving wool. The evening before the event, at an airport in California, a young woman waited for a plane for her move back to the area. She saw our posting, she had the skills, experience, and passion--and responded. The next morning she appeared, bedecked in pioneer costume, ready to engage visitors in wool spinning and weaving."

Elizabeth Cline, The Grove National Historic Landmark

"Over several years HOSC has recruited very dedicated, loyal, and compassionate individuals as well as companies for Clearbrook. We appreciate all the support HOSC has given to Clearbrook."

Kathy Scheuing,  
Clearbrook

"We are so grateful for our relationship we have with HOSC. In addition to being instrumental in helping us obtain volunteers to get our donations sorted and organized, we also receive great exposure to our services which helps with community awareness."

# School Programs

HOSC mobilizes volunteers to deliver academic and social support to underserved and at-risk youth. Nearly half the students we serve are limited English proficient, and 84% are classified as low income.

**From elementary through high school, our school programs prepare children in need to succeed at every grade level.**

**1,103 STUDENTS SERVED**

**194** at-risk middle school students tutored

**92** low-income elementary school students tutored and mentored

**169** volunteer tutors and mentors donated **1,691** hours tutoring

**85%** of students in grades 6-8 received satisfactory grades.

**81%** of students in grades 6-8 met IL's Social and Emotional Learning Standards.

**95%** of students in grades 6-8 achieved satisfactory school attendance.

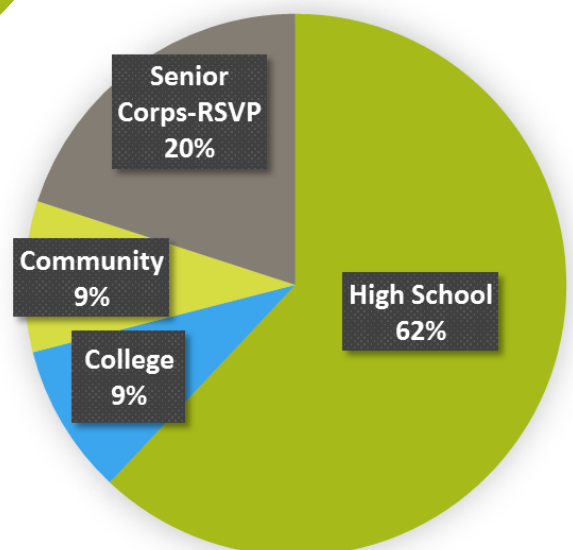

**618** underserved middle school students completed community-based service activities.

**199** high school students participated in service learning to become eligible for the Harper Promise Scholarship, which offers free tuition.

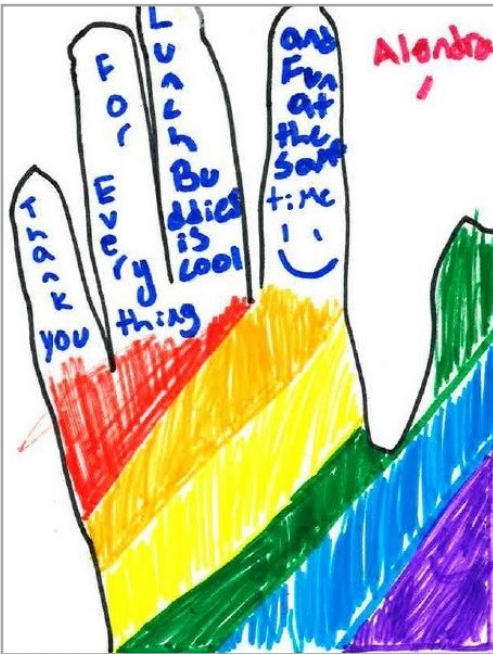

## Tutors/Mentors Groups

## CHiL

Afterschool homework assistance and social and emotional learning activities for at-risk middle school students at Community Consolidated School District 21's Cooper, Holmes, and London Middle Schools

"[A student] felt confident enough in his math knowledge to get up in front of the class and write/explain his answer on the board. He told me he could do it because [his tutor] showed him how in CHiL :)" — Teacher assistant at Holmes Middle School

## Lunch Buddies

In-school tutoring and mentoring for low-income elementary school students in Des Plaines, Mount Prospect, and Palatine

- **94%** of Plainfield students indicated they enjoyed free reading time, a 25 percentage-point increase from the beginning of the term.
- HOSC enrolls and trains students from Vanguard School (District 214)—an alternative learning environment for adolescents—to instill a love of reading in children. By assuming leadership roles, these young tutors—who come from similar backgrounds—have bolstered their own school attendance as well as their social-emotional development and job-seeking skills.

## Service Learning

Service learning opportunities that include lesson plans, hands-on projects, and days of service in the community

- **31** high school students with disabilities in District 214's life program created 62 paracord bracelets for active duty military and 7 blankets for animals in shelters.
