## FoodCycle Volunteer – Key Worker

Hello,

FoodCycle is a national charity, working to distribute food to as many households in need as possible. Volunteers collecting surplus food from supermarkets and food distribution centres, working to distribute food to vulnerable people are classed as key workers under Government category of key public services.

**Key public services** *“This includes those essential to the running of the justice system, religious staff, charities and workers delivering key frontline services”.*

I am delighted to introduce you to a key worker at FoodCycle, helping to ensure that we can distribute food to some of the most vulnerable people in society throughout this pandemic.

If you have any concerns or queries regarding key worker status please contact the FoodCycle team on **020 7729 2775**.

Thank you for your efforts to support the most vulnerable in society during this difficult time.

Kind regards,

Mary McGrath  
CEO
