today's volunteers who are
making **HISTORY** at our
Annual Volunteer Recognition !!*

Volunteer Spotlight: Ms. **Patty Seramone**, Volunteer Delaware 50+ volunteer with the **Brandywine Valley SPCA**.

Patty is a new member of Volunteer Delaware 50+ and has been volunteering with the Brandywine Valley SPCA since she retired in 2018. She is a former teacher who continues her commitment to service through her volunteer work.

Patty helps in many departments at the BVSPCA; she walks dogs, interacts with cats, works the adoption events, and provides support at the community events. Though Patty is willing to help wherever needed, she spends most of her time in the surgery ward, where she cleans instruments, prepares surgery packs for sterilization, and assist the vets and techs in any way they need.

Patty shares an instance where she met a dog in great need of love:

"There was one dog who had severe stranger danger, barely no one could approach her. I slowly gained her trust, walked her, took her in public, got her to realize people weren't all that bad. I took her for a weekend at my house away from the shelter and was able to provide information on how wonderful she was. She got adopted shortly after because of that I believe! Her adopters saw her profile in my home!"

A happy ending for a wonder pupper in need!

The Brandywine Valley SPCA needs more volunteers, Patty shares that there are plentiful of opportunities

to get involved from surgery, clinic, cleaning, cats, dogs, events, organizational needs, paperwork, some things can even be done at home. If you love animals, but are not in the position to have one, you can volunteer and still have that relationship without taking one home. She says "animals are truly helpless without people helping them. The [biggest] reward is seeing so many animals go from bad and desperate situations to loving homes".

To learn more about the Brandywine Valley SPCA and how you can get involved, visit bvspca.org/get-involved/volunteer.

Thank you to Camille Vance, our AmeriCorps VISTA member, for capturing Ms. Patty's passion for volunteerism.

If you have a story you would like to share OR you are one of our Community Partners that would like to highlight your Volunteer Delaware 50+ member, please let us know by emailing Guadalupe.Murphy@delaware.gov or by calling 302-255-9746.

The Never Alone Project

PROVIDING FRIENDLY SUPPORT TO OUR DELAWARE ELDERLY AND DISABLED NEIGHBORS WHO MAY BE FEELING SOCIALLY ISOLATED DUE TO COVID-19 PANDEMIC AND OTHER LIFE FACTORS.

Social isolation and loneliness have gradually become contributing factors to increased illness among elderly, disabled and chronically ill persons. This has become intensified as we have been facing the COVID-19 pandemic for 3+ years now. Through this project, Delaware Ecumenical Council on Children and Families (DECCF) will promote resilience by establishing new, and supporting existing relationships with clients, caregivers, and families.

We seek to do this through establishing weekly (or other frequent) calls as telephone reassurance that someone is there for them should they want to talk about what

they are experiencing. The Never Alone Project will perform a high-level screening for social isolation, and make voluntary referrals to behavioral health professionals should follow-ups be necessary. Also, a "Coping in Times of COVID-19" toolkit for seniors, will be provided to each participant

- Safe Companionship
- Friendly Check-ins
- Isolation/Loneliness Assessment
- Encouragement
- Inspirational Writings
- Informed Delaware COVID-19 updating
- "Coping in Times of COVID-19" toolkit for seniors

Let us help you, and/or a loved one through these challenging times.

Every Child Deserves a Home

When families lose their homes, they shouldn't have to lose each other. Family Promise NNCC keeps families together when they experience homelessness and helps them quickly move into their own housing.

Our mission is to prevent and end homelessness for families by engaging volunteers, donors, and the faith community.

We envision a community in which every family has a home, a livelihood, and the resources for lasting independence. **We believe** in working with our community to end family homelessness. Challenges faced by our community require a community solution.

Preventing & Ending Homelessness for Families

We serve over 150 families experiencing homelessness each year!

A Community Based Solution

Family homelessness is an issue

Families with children experiencing homelessness, account for 40% of all homeless in Delaware. One in three people experiencing homelessness in Delaware is a child.

Gap in services

The majority of shelters in the state have stipulations on the populations they serve (men only, women and children only etc.) Resources exist for homeless individuals, less so for families.

We take any family

We're the only shelter in Delaware that has always provided shelter and services to families with children regardless of their size, make-up, or composition.

We partner with local congregations

We're partnered with 45+ local congregations to provide meals and support for families experiencing homelessness. We're working with our neighbors to address family homelessness.

Diversified Programs

Hospitality Center

The Center provides needed temporary shelter for 8 families experiencing homelessness. We provide case management services to assist families addressing barriers to housing. Our team assists families to identify housing, pay for housing, and remain housed.

We partner with 45+ congregations that provide families with meals, hospitality, and activities 365 nights a year.

Pathway to Housing

This is a community based program that works with families in other situations of homelessness. Staff provide assistance and case management services to quickly house families.

Pathway to Diversion

Families are diverted from shelter altogether within 7-14 days by utilizing social resources and providing families direct assistance to secure/maintain their permanent housing.

You Can Make A Difference!

Volunteers Needed for Domestic Violence Court Program

Do you want to help victims of domestic violence in your community? CHILD, Inc.'s Domestic Violence Advocacy Program (DVAP) is seeking volunteers to assist victims with protective orders, safety planning, and resource identification.

CHILD, Inc.'s Advocacy program is in need of volunteer advocates who wish to help victims of domestic violence within the civil court system. Since its start, DVAP has relied heavily on volunteers to offer services and support to victims of domestic violence through the court advocacy program which is located within Family Court in each county of the state of Delaware.

Advocates are available to offer support for victims experiencing intimate partner violence and abusive power and control. Volunteers assist clients with creating appropriate safety plans based on the client's needs and concerns at our offices located in the Family Courthouse building. Advocates aid victims in filing Protection from Abuse (PFA) petitions and offer information regarding court hearings.

All Volunteer Advocates are valued members of our DVAP team; they are what makes our program as successful as it has been for many years.

40 YEARS

Urgent Need for CASA Volunteers

The Court Appointed Special Advocate Program (CASA) of Delaware is expanding its efforts to advocate for abused and neglected children. The number of children entering foster care continues to increase daily. The CASA Delaware program needs additional 200 volunteers to help advocate for these vulnerable children, and to ensure each child has a CASA volunteer by their side.

Currently, CASA Delaware only represents 50% of the children in foster care. Research shows that children with a CASA volunteer to advocate for them are:

- Less likely to re-enter foster care.
- More likely to find a safe, permanent home, spending less time in foster care.
- More likely to perform better in school.

CASA volunteers are trained members of the community who are appointed by a Family Court Judge to be a voice for Delaware's abused and neglected children. CASAs have varied professional, educational, and ethnic backgrounds. They are selected based on their objectivity, competence, and commitment. Each volunteer accepted into the program must complete 30 hours of initial training. Each CASA volunteer is supported by a CASA Program Coordinator and a Child Attorney to advocate for the best interests of children.

*The problems of child abuse and neglect belong to all of us.
Be part of the solution. Be a CASA volunteer.*

Statewide CASA Training Classes are forming now!

CASA Delaware is a member of the National CASA/GAL Association for Children. To learn more about National CASA please visit <https://nationalcasagal.org/>.

Become a Virtual Bereavement Volunteer today

The needs of bereaved families and friends are unique – and our Virtual Bereavement Volunteers are there to support them.
 This special group of volunteers offer much-needed support to these lower-risk loved ones by making phone calls, often on the anniversaries of deaths, providing important moments of "virtual" connection.

As a Virtual Bereavement Volunteer, you may also co-facilitate virtual services of remembrance and take part in virtual grief support groups – all from the comfort of your home. All our volunteers are trained to assess the needs, responses, and support systems of the bereaved, and provide documentation to help our psychosocial team determine any needed follow up care.
