"We make a living by what we get. We make a life by what we give."

Dear Volunteer Delaware 50+ Volunteers,

We may not be able to see you in action as often as we would like but please know that we hear how INCREDIBLE you are and just how much you are appreciated by our Community Partners. They tell us time and time again, without each and every one of you, they would not be able to do all that they do and serve so many in need.

April has been designated as National Volunteer Month, a time when we pause to recognize the incredible generosity and dedication of volunteers across the country and world, without whom many organizations and humanitarian services would cease to exist.

THANK YOU so much for the immeasurably valuable work you have done for our partners. You bring ideas, positive energy and a level of love and dedication that cannot be duplicated.

With Sincere Gratitude,

We would love to hear from you and if possible, serve alongside you, so we can learn more about what you are so passionate about. To connect with us, please email Guadalupe.Murphy@delaware.gov.

ACCEPTING APPLICATIONS**CHILD ADVOCATES NEEDED FOR NEW CASTLE COUNTY**

The Office of the Child Advocate- Court Appointed Special Advocate Program (CASA) of Delaware is expanding its efforts to advocate for the best interests of abused and neglected children. The program is seeking qualified adults to serve as CASA volunteers.

CASA volunteers are trained members of the community who are appointed by a Family Court Judge to be a voice for Delaware's abused and neglected children in court proceedings. The CASA volunteer ensures the rights of children are protected and their needs are met. CASA volunteers work with attorneys, social workers, and family members to attain a safe and permanent home for each child.

CASA volunteers have varied professional, educational and ethnic backgrounds. They are selected on the basis of their objectivity, competence and commitment. Each volunteer accepted into the program must complete 30 hours of initial training. Casework supervision is provided by full time Program Coordinators. There are 220 CASA volunteers that advocate for over 300 children, but there are 200 or more children in foster care that do not have a CASA to be their voice. Now more than ever we need more volunteers.

We are a member of the National CASA/GAL Association for Children. To learn more about National CASA please visit <https://nationalcasagal.org/>.

*CASAs are ordinary people who do extraordinary work
for children in foster care.*

ACCEPTING APPLICATIONS**Senior Roll Call Lifeline is looking for a few good Volunteers****Are you a morning person? Enjoy helping people?**

We need your help...**Senior Roll Call Lifeline** is a free program provided by New Castle County, Division of Police, that makes daily calls to the homes of our elderly or disabled members to ensure they are doing well and do not require emergency assistance. If after several attempts the calls are unsuccessful, emergency help is sent to the home to check on the well-being of the member.

Senior Roll Call Lifeline was started in 1995, by then, Colonel Thomas P. Gordon, and the program has helped make countless “saves” for individuals who have suffered a debilitating injury or ailment leaving them unable to help themselves. The program is supported by volunteers who are desperately needed.

Volunteers perform the following functions:

Monitor the calls made by an automated dialer; listening for distressed voices and answering machines. If a call is unsuccessful, the volunteer follows established procedures until contact is

made with the member or assistance is sent. There is no physical labor required, just patience and a good ear.

Volunteer hours currently available: From 6:30 am to 10:30 am, Friday, Saturday and Sunday at the New Castle County Public Safety Building, located at 3601 N. DuPont Hwy, New Castle, DE 19720. Volunteers must be at least 18 years old and a comprehensive back-ground check is required.
