

# Make a Difference from your Desk!

## October 23, 2020

In support of Delaware Stockings for Soldiers and other organizations in our state that offer cheer to our military, our veterans and our first responders, we are inviting you to reserve a kit and celebrate Make a Difference Day with us by coloring greeting cards at your desk. Once you have reserved your kit, someone from Volunteer Delaware will make sure you have your supplies in advance of the day.

Kits include pre-printed greeting cards, a few art supplies, and more information about the project. All you have to do is spend a few minutes on October 23 coloring the cards and adding a personalized message. Then simply place the completed cards in the bag and return the bag to a designated drop off place in your building. Volunteer Delaware will collect the cards and return them to a partner organization who will sort and screen them before delivering them to those who deserve a little bit of cheer this holiday season.
