April was National Volunteer Month and we celebrated volunteers with a wonderful recognition at Crossroad Community Church! A great time was had by all with raffle prizes, great food, and comradery. Several community partners were there to celebrate in the joy of the day. Below we have shared special quotes and comments that they have for you. Messages from other community partners are shared on page 10. They are just some comments from your volunteer organizations that care!
May is on tap to bring the flowers and for us to get outside! Stretch, move and focus on your fitness! Flexibility, leg strength and balance will keep you upright and prevent you from falling! Until June, pass it on...

Thank You
A message from our Community Partners
What do our Community Partners enjoy most about their volunteers?
Village Volunteers-Emily Buckingham- One of the most rewarding aspects of working with our volunteers is seeing the impact they make in the lives of our members every day. Their kindness, dedication, and generosity create a true sense of community, allowing our members to remain independent while feeling supported and valued. Whether it's providing a ride, lending a helping hand, or simply offering a friendly conversation, our volunteers bring warmth and connection that make a lasting difference. I'm constantly inspired by their willingness to give their time and talents, and I'm grateful for the incredible spirit of service they bring to the Village.
Delaware Veterans Home-Cindy Schaap-With the Delaware Veterans Home, what I enjoy most is seeing the friendships that develop between our residents and volunteers. One never knows what special bonding will occur, and how deeply appreciative each person is with the other. Many learn they were in the same locations in the service, lived in the same town, or had such similar experiences in life. When a resident asks about a volunteer and if they are coming that day, it is the best compliment. Nothing can replace the caring support we have with our volunteers.

LUCKY TO HAVE YOU

In 2024 alone, Cindy selflessly devoted 2,952 hours to serving our community, with the majority of her time focused on supporting our most vulnerable neighbors through MAH. Her unwavering compassion and tireless dedication have touched countless lives, embodying the true spirit of service and empathy.

Please join us in celebrating Cindy's remarkable achievement and thanking her for being a beacon of hope and kindness in our community.

Cynthia Dawe, Vice President of Milford Advocacy for the Homeless (MAH), was honored with the Most Dedicated Volunteer Award.

Thank you, continued

Delaware AccentCare-Rebekah Welch-What we enjoy most is that these individuals care and want to support others. The volunteers we work with through Volunteer Delaware 50+ are truly caring people and a real delight to work with. They support our hospice patients who need someone to chat with and visit with them. They support caregivers and give them a much-needed break. They sew Memory Bears from patient clothing that means so much to the loved ones receiving them. They assist in the back office with making Home Charts and Facility Charts, which are invaluable because every patient receives one. We are so grateful that the volunteers are so generous with their time. We truly cannot thank them enough. ♥

Blood Bank- Angela Williamson Volunteers creates a welcoming environment for blood donors. They support staff and increase their capacity to do more mission-critical tasks. Volunteers support the Volunteer Specialist in volunteer engagement. They are an integral part of the Blood Bank of Delmarva! Thank you, all volunteers!

Delaware Hospice-Melody Cline- It is such a pleasure getting to know and work with our volunteers at Delaware Hospice. Their devotion to our patients, families and staff is amazing to witness, and I am honored to assist them along the pathway of their volunteer journey.

Cape Henlopen School District-Kim Hoey Stevenson- The thing I enjoy the most is hearing the heartwarming stories mentors and mentees share with me about how they are working together, making connections, and helping each other. It's knowing our students are so loved and cared for by the people of the greater Cape Henlopen District. Differences in lives are being made.

Urgent Need for CASA Volunteers

The Court Appointed Special Advocate Program (CASA) of Delaware is expanding its efforts to advocate for abused and neglected children. The number of children entering foster care continues to increase daily. The CASA Delaware program needs additional 200 volunteers to help advocate for these vulnerable children, and to ensure each child has a CASA volunteer by their side.

Currently, CASA Delaware only represents 50% of the children in foster care. Research shows that children with a CASA volunteer to advocate for them are:

- Less likely to re-enter foster care.
- More likely to find a safe, permanent home, spending less time in foster care.
- More likely to perform better in school.

CASA volunteers are trained members of the community who are appointed by a Family Court Judge to be a voice for Delaware's abused and neglected children. CASAs have varied professional, educational, and ethnic backgrounds. They are selected based on their objectivity, competence, and commitment. Each volunteer accepted into the program must complete 30 hours of initial training. Each CASA volunteer is supported by a CASA Program Coordinator and a Child Attorney to advocate for the best interests of children.

*The problems of child abuse and neglect belong to all of us.
 Be part of the solution. Be a CASA volunteer.*
