at the ReStore!

As part of Habitat for Humanity New Castle Counties, our ReStores are nonprofit thrift stores that accept donations of new and gently used furniture, appliances, home décor, and building supplies from the public.

When possible, donated building materials will be used to build and preserve Habitat homes. Extra building materials, along with furniture, appliances, and other items are sold to the public at more than 50% off retail prices.

Each donation and purchase makes a big difference toward the mission of Habitat for Humanity: to build homes, community, and hope. But the impact goes far beyond that.

## Habitat ReStore community volunteers typically:

- Assist donors w/ drop-off donations and receipts
- Sort boxes of donations
- Move small, priced items to the sales floor
- Ensure all items on sales floor have price tags
- Organize various sections of the sales floor
- Stock paint supply displays
- Assist customers and answer questions
- Light housekeeping

## Volunteers: Making their Passion their Purpose

*"Having a volunteer there to hold my mother's hand and read to her not only helped us when we needed relief from caregiving; but, helped my mother because she knew she wasn't alone. ProMedica's volunteers gave everyone in my family moments of peace of mind during my mother's final days."*

### WHAT IS HOSPICE

Hospice is a special kind of care designed to provide comfort care as well as spiritual and emotional support for terminally ill patients and their families. Hospice focuses on enhancing quality of life, rather than length of life. We support our patients and their families wherever they are in their health care journey and respect their goals and values.

### VOLUNTEER SERVICES\*

- Caregiver relief/support
- Bedside vigils for patients in their final hours
- Veteran volunteer support to patients who are veterans
- Art at the bedside
- Pet visits
- Friendly visits
- Reading aloud
- Bereavement support
- Music at the bedside
- Special events

### THE HOSPICE VOLUNTEER\*\*

We depend on our hospice volunteers to help us provide the love, respect and care our patients and families need. Some volunteers interact directly with patients and families, while others prefer to work behind the scenes in the office setting. As a volunteer, you would help us decide which tasks you are comfortable performing. Our volunteers help enrich the lives of our patients by:

- Running errands for patients and families
- Staying with patients so family members can get a much-needed rest
- Reading or providing a comforting touch
- Playing or singing soothing music to patients
- Helping with office support tasks at the agency
- Providing a friendly visit to lift a patients spirits

\* Please note: not all services may be available at every agency location.

\*\* We suggest that volunteers make appropriate adjustments after significant losses in their lives, and wait a minimum of one year following the death of a loved one to volunteer.

CASA volunteers are trained members of the community who are appointed by a Family Court Judge to be a voice for Delaware's abused and neglected children in court proceedings. CASA volunteers have varied professional, educational and ethnic backgrounds. They are selected on the basis of their objectivity, competence and commitment. Each volunteer accepted into the program must complete 30 hours of initial training. Casework supervision is provided by full time Program Coordinators.
