Have you run out of fun and different ways to volunteer and it's only November? The holiday season can introduce you to some innovative ways to shake your volunteer routine to a new level! Let us remind you that Family Volunteer Day is this month. Do you have family visiting this month. What can you do that's fun and will build a lasting bond. Family Volunteer Day is a global day of service that takes place annually on the Saturday before Thanksgiving, this year that day is November 20. It's a day to celebrate the power of families working to make a positive impact on their communities. You don't have to do a huge project, but here are some great ways to volunteer:

- Cleaning up a local park
- Helping at a food bank, or a shelter
- Volunteering at a Thrift Store
- Making and delivering a meal to a neighbor
- Driving a neighbor in need to the grocery store or an appointment

Any or all of the above makes a small difference to someone. Remember, we don't have to do it all, we have to do our little bit. Bringing together our family helps us bond in the spirit of service. It forms the bond of caring for our community as a whole. In this season of Thanksgiving, the Volunteer Delaware 50+ staff thanks volunteers throughout the State of Delaware for strengthening communities with kindness.

In turn, agencies prepare balanced, nutritious meals or distribute food items to those with limited resources. Please help us feed more hungry Delawareans by donating to the Food Bank of Delaware.

Please note, the Food Bank of Delaware cannot accept hard candy, follooss, soda in cans and bottles, chocolate bars or pieces, gum and soft candy such as marshmallows, caramels, taffy, licorice and gummy Items. Thank you for not adding these items in your boot!
