Volunteer Delaware 50+ Visits St. Joseph's 55+ Group

On Monday, October 5, the Volunteer Delaware 50+ team had the pleasure of visiting the St. Joseph's & St. Rosa of Lima 55+ Group in Middletown, Delaware.

The presentation introduced participants to three of Volunteer Delaware 50+'s program

The CareWear Project, Bags2Mats for the Homless, and A Matter of Balance. The team shared how these programs support local communities, create meaningful volunteer opportunities, and encourage older adults to stay active, healthy, and connected.

The participants were wonderful—welcoming, enthusiastic, and engaged throughout the presentation. Their interest and participation made the visit especially enjoyable. It was a great opportunity to highlight the impact of volunteering and showcase the many ways individuals can get involved and make a difference in their communities.

A special thank-you to Ms. Christine and Ms. Susan for inviting our team and making the visit possible. Their warm hospitality and the group's enthusiastic participation made this a wonderful experience.

Volunteer Delaware 50+ appreciates and welcomes the opportunity to connect with community groups, share its programs, and inspire more people to get involved in making a difference! If your organization would like our team to visit and present, please call our NCC office at 302-255-9101.

Because every hour tells the story of community impact.

You volunteer because you care about your community—not for recognition or statistics. But when your volunteer hours are reported through **Volunteer Delaware 50+**, they help tell an important story about the value of volunteer service across Delaware.

YOUR HOURS HELP:

DEMONSTRATE COMMUNITY IMPACT

Volunteer hours show how much work is being accomplished by nonprofit organizations through the dedication of volunteers like you.

INFORM STATE LEADERS

Volunteer Delaware shares statewide volunteer data with policymakers and state leaders to highlight the critical role volunteers play in addressing community needs.

SHOW THE ECONOMIC VALUE OF SERVICE

Volunteer hours can be translated into a dollar value, helping demonstrate the significant contribution volunteers make to Delaware's communities.

SUPPORT NONPROFIT ORGANIZATIONS

Accurate volunteer data helps us better understand volunteer engagement and advocate for the organizations that depend on volunteer support.

AMPLIFY VOLUNTEER VOICES

Your participation helps us share volunteer stories, inspire others to serve, and raise awareness about the causes and organizations making a difference.

WHAT INFORMATION IS NEEDED?

To be part of Volunteer Delaware 50+, we only need:

- **Name**
- **Phone Number**
- **Date of Birth** (to verify age eligibility)

This information helps ensure volunteer hours are counted accurately and not reported twice.

Your service matters.
Your story matters.
Your hours matter.

By sharing your volunteer hours, you help make volunteer service **VISIBLE, MEASURABLE,** and **IMPACTFUL.**
