## 2nd Annual Canstructure Contest

Youth Structure Building Competition to Fight Hunger

A community service project that's fun,  
competitive and educational!

### Who and What:

Teams of youth from Berks County, mentored by artists, architects, engineers, and contractors compete in a contest to build incredible designs made entirely from cans of food. At the end of the contest, food will be donated to the Greater Berks Food Bank.

### When:

Saturday, March 16, 2019

### Where:

Berkshire Mall

1665 State Hill Rd, Wyomissing, PA 19610

### Why:

The groups learn teambuilding skills, work with STEM professionals to learn structure building, exercise creativity in design & building, learn about food scarcity in their community, and fight hunger locally with a huge donation of canned goods!

For more information about the contest or how to enter a team, please contact  
[build@voiceupberks.org](mailto:build@voiceupberks.org) or 484.706.9364
