Additional Information

Upgrade existing membership:

For organizations who signed up for a Free Basic Membership in 2021, you can upgrade your membership to Basic +, Rural + (if applicable), or Premium at any time. Your Free Basic Membership will expire on your regular annual date, at which time you must pay the Basic fee (\$40/yr) or upgrade levels to continue your membership.

Upgrade a new membership:

As nonprofits, our needs and resources are always changing. In 2022, if you sign up for a Basic or Rural Membership, you can upgrade to a Plus or Premium Membership within 60 days, just owing the difference. If you choose to upgrade after 60 days, you must pay the full amount for Plus or Premium. *(I.e. If you register for a Basic membership for \$40, you have 60 days to upgrade to Basic + for only \$76, rather than the full Basic + price of \$116.)*

RSVP Volunteer Stations:

In 2021, Spark the Change Colorado began operating the **AmeriCorps Senior Retired & Senior Volunteer Program (RSVP)** in 7 Colorado counties! The counties are: Alamosa, Huerfano, Las Animas, Montezuma, Park, Jefferson, and Broomfield.

Spark is currently recruiting RSVP Stations in all 7 counties. Volunteer Stations are community organizations whose services fight food insecurity in their designated county. Spark's RSVP Volunteers will serve within these Volunteer Stations to increase capacity and access to services.

Organizations who **become Spark RSVP Volunteer Stations** will receive **FREE** Basic or Rural Spark the Change Colorado Membership. [Contact the RSVP Manager](#) in your county to become a Volunteer Station and receive a Promo Code for free membership.

Grassroots Organizations:

A Grassroots Organization is a community group that is not associated with a school, church, or government organization and **does not** possess 501(c)(3) nonprofit status. This membership level is for community member run groups and clubs that are meeting a community need through the work of volunteers.
