## 2019-2022 Funding

### [Faculty Fellows](#)

A year-long cohort-based experience designed to support the development of engaged faculty scholars.

### [High-Impact Community Engagement Practices](#)

A grant to support development & implementation of a high-impact community engagement learning practice.

### [Strengthening Communities](#)

A grant to support place-based, short-term and/or ongoing co-curricular engagement, training and/or advocacy activities addressing systemic community-identified issues.

### [Social Innovation Microlending Program](#)

Loan funds to support social ventures. Applications accepted on a rolling basis.

## Customized Assistance on Your Campus

### [Customized Assistance](#)

Indiana Campus Compact partner institutions are offered one FREE day (up to 8-hours) of customized assistance, (e.g., multi-day institute, single-day training or workshop, keynote speakers/emcee) each academic year.

Scheduling customized assistance is based on staff availability, and though preference is given to Indiana Campus Compact partner institutions, we receive assistance requests from across the country. In order to secure your date(s), we ask you to start your conversation about a customized opportunity with Laura Weaver, Director of Programs and Member Development ([laura@incampuscompact.org](mailto:laura@incampuscompact.org) or 317-274-6500) at least **12-weeks prior to the intended date of the experience** by completing the online form at <https://indianacampuscompact.org/events-6/customizedasstnc>. All experiences must be confirmed at least 6-weeks prior to the date of the experience.

## Opportunities Supported by Indiana Campus Compact
