Jersey Cares 2023 Animal Shelter Helpers

Hello,

When an animal arrives at a shelter, it has either been found as a stray, abandoned, rescued from a puppy mill, or surrendered by its owner. These animals have no home or owner to love them. Jersey Cares established the Animal Shelter Helpers program to provide no-kill rescue shelters with essential animal supplies to care for our four-legged friends prior to permanent adoption.

Corporate partnerships are essential to maximizing the impact of the Animal Shelter Helpers Program. With the support of your company, thousands of in-need animals will receive food, bedding, toys, and other items to provide comfort prior to adoption.
