WHY BOSTON CARES?

Boston Cares mobilizes and trains teams of individual and corporate volunteers who strengthen communities and improve the lives of people in need. Our year-round programs and seasonal service events engage 25,000 adults of all ages, children and teens and corporate partners who annually volunteer 75,000 hours in support of 165 schools and nonprofits. Boston Cares is the largest volunteer agency in New England, an Innovation Hub within the national Hands On Network, and a leader in the volunteer engagement sector. Every \$1 invested in Boston Cares leverages at least \$4-\$6 of value for the community. Your support makes that happen.
