

## 2022 Boston Cares Awards & Global Volunteer Month Celebration

In April 2022, Boston Cares is reimagining our volunteer awards with a month-long celebration of our honorees as part of Global Volunteer Month. To recognize the outstanding service of our volunteers and impact of our partners, we'll be hosting several events throughout the month to honor our awardees and allow volunteers and partners to gather and connect through social events and service projects, while sharing inspiring stories of service.

**Join us in celebrating service in April with a sponsorship!**

### Volunteer Month Lead Sponsor - \$7,500

*Support our month-long celebration with visibility at all events, and through our social media.*

- Logo on visual presentations of awards (slides running during all events; any printed materials)
- Recognition on Boston Cares homepage, awards website and social media posts relating to the celebration through March & April
- Acknowledgement during opening/closing of all events

### Award Category Sponsor - \$5,000

*Support our honorees with an award category sponsorship.*
