

MLK WEEKEND 2023 SPONSORSHIP

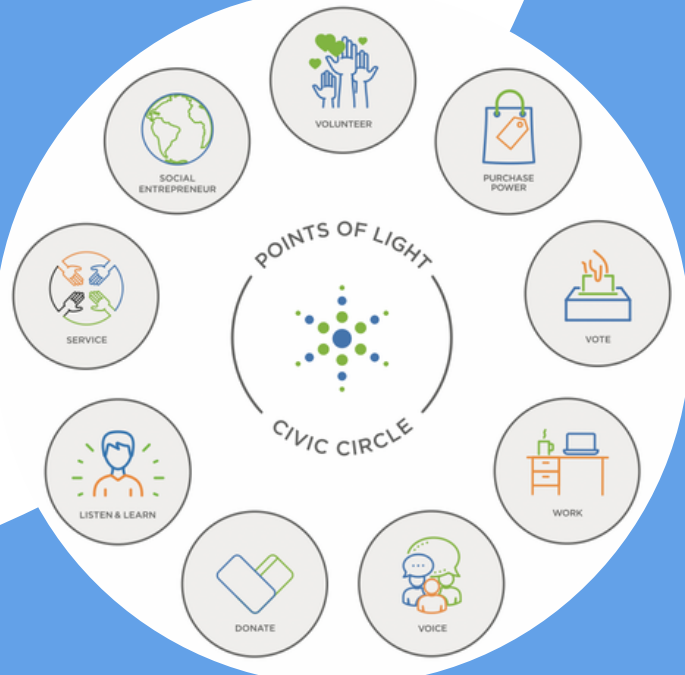

Since 2006, Boston Cares has celebrated Dr. King’s birthday with a Day On, not a Day Off. The 2023 MLK Weekend will focus on the importance of civic engagement and ways that individuals can influence change in their community, using the Points of Light Civic Circle as a framework. The Civic Circle helps individuals connect to opportunities and understand that doing good comes in many forms with a framework for pathways to lead, lend support and take action for causes they care about through volunteering, purchasing power, service, voting, working, voice, donating, listening & learning, and social entrepreneurship.
