Community Emergency  
Response Team

# What is CERT?

Community Emergency Response Team training consists of 5 primary topics:

- Disaster Preparedness
- Fire Suppression/Utility Controls
- Disaster Medical Operations
- Light Search and Rescue
- Disaster Psychology/Team Organization

FEMA

# How is Sacramento CERT different?

Sacramento Regional CERT teams are different than most national teams:

- Additional levels of training
- Equipment
- Recurring training

FEMA

# How is Sacramento CERT different?

Sacramento Fire CERT maintains 5 equipment trailers for use by the Sacramento CERT team. Each trailer is equipped with:

- Search and Rescue equipment
- Medical Supplies
- Communications Equipment
- Tools

# How is Sacramento CERT different?

Sacramento Fire also provides additional training opportunities that “basic” CERT programs do not, such as:

FEMA

5

# Unique training opportunities

Training courses above and beyond CERT program requirements

FEMA

6

# Mobile Exercise (MOBEX) events

Allowing Sacramento CERT to practice long-distance travel and to train in unfamiliar environments

FEMA

# Deployments

- Sacramento CERT has deployed to many disasters in California:
  - The Rim Fire (2013), logistical and ARC shelter support
  - The Valley Fire (2015), logistical and POD support
  - Oroville Dam Crisis (2017), animal shelter support
  - The Camp Fire (2018), animal rescue and shelter support

FEMA

# The Camp Fire

- Sacramento CERT operations during the Camp Fire:
  - Animal shelter operations at Chico airport
  - Animal Rescue Support in Paradise, CA
