

# SOCIAL IMPACT REPORT 2020

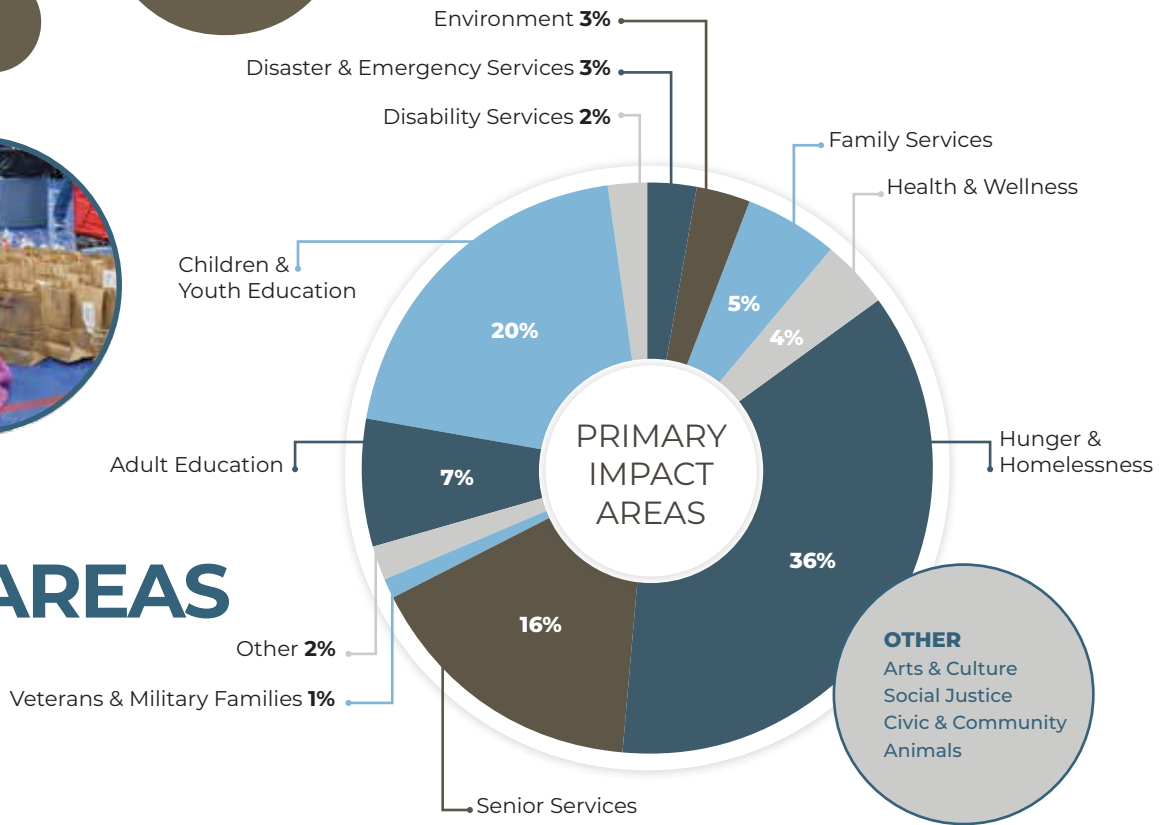

The mission of VOLUNTEER Hampton Roads is to CONNECT businesses with opportunities which create a positive impact on our community; to EQUIP nonprofits with the resources they need to achieve their mission; to MOBILIZE a community of volunteers to create change.

*"Reflecting on a truly unprecedented year, I am awe-struck by how the Hampton Roads community came together, even while being apart. Throughout this report, we have included information on the impact created by volunteers at all levels and we are excited to share more than double the amount of volunteers have selflessly donated their time and talent during this especially challenging year."*
