

Volunteer Alexandria
GLOBAL NETWORK AFFILIATE

Civic Engagement is a powerful force for solving community problems, a creative use of human resources and essential for a healthy, productive, and engaged society.

Since 1980, the mission of Volunteer Alexandria (VolALX) is to connect and match people seeking opportunities with organizations in need of human resources to support their programs and services.

VolALX hosts events to fund the project management, administrative resources, and technology it requires to be Alexandria's Community Resource for Volunteerism.

Your contributions to and participation in these events help us to continue to provide valuable assistance to Alexandria's nonprofits, as well as engage people in service, making our community a stronger, more engaged place to live, work and play.

Be a Family Volunteer Day Sponsor Saturday, November 19

On this day, families of all ages and constellations come together to work together. Projects may include creating a kindness wreath, decorating envelopes for gift cards part of our annual toy drive, creating gift tags for toys, and making placemats.

All items will be donated to bring a smile to families, seniors, and children.

Volunteering together as a family has many benefits. Working side by side provides opportunities for a shared experience, connection, and conversation, and family members get to see each other in a new light. Volunteering also cultivates empathy, encourages kindness and gratitude and show even the youngest child how a small positive act can make a significant difference.

More details on our Youth and Family program can be found at www.VolunteerAlexandria.org/youthandfamily.
