

Volunteer Alexandria  
GLOBAL NETWORK AFFILIATE

**Civic Engagement is a powerful force** for solving community problems, a creative use of human resources is essential for a healthy, productive, and engaged society.

Since 1980, the mission of Volunteer Alexandria (VolALX) is to connect and match people seeking opportunities with organizations in need of human resources to support their programs and services.

VolALX hosts events to fund the project management, administrative resources, and technology we require to be Alexandria's Community Resource for Volunteerism.

Your contributions to and participation in these events help us to continue to provide valuable assistance to Alexandria's nonprofits, as well as engage people in service, making our community a stronger, more engaged place to live, work and play.

## Be a Community-wide Food Drive Sponsor July 1-31

The community-wide food drive addresses food insecurity in Alexandria and is a much-needed initiative to increase the food supply in our main food center. Food donations from the community helps our food pantries and ALIVE! maintain a healthy inventory. Currently, they distribute to over 4,000 households per month, which means they must have 150,000 pounds of food each ready for distribution. VolALX engages hundreds of people from businesses, congregations, apartment buildings, scout groups, other social clubs, schools, as well as numerous individuals young and old. We participate by setting up a food collection bin, donating money to help us putting this all together and purchase materials and snacks for volunteers.

Our goal is to **collect 40,000 pounds of food**, enough to **feed 2,500 families!** Food will support Hunger Free Alexandria's food pantries and ALIVE!. Please consider being a sponsor to make this all happen! **An eight-week event takes time, resources, and money.**

More details on the at [www.VolunteerAlexandria.org/fooddrive](http://www.VolunteerAlexandria.org/fooddrive).

# Food Drive Investment Opportunities
