

**FARM TO PANTRY** was established in 2008 to be a bridge in our community. People are hungry yet food is being wasted. We bridge that gap by rescuing produce and providing it to our most vulnerable neighbors.

**SINCE 2008**, we have delivered over 6 million servings of fruits and vegetables.

We do this with the power and commitment of over 500 volunteer gleaners, 400 property owners and 100 partners.

Up to 40% of all food in the U.S. ends up in landfills. By diverting food waste from landfills, we prevent methane pollution from entering the atmosphere; we spared the air of 423 metric tons of CO<sub>2</sub> in 2022, equivalent to the emissions of taking 1,102 cars off the road for a year.

**People are facing food  
insecurity in our community.**

**YOU CAN HELP!**

## GROWERS

Don't let any of your fruits or vegetables go to waste. Let us come glean your orchard or even just a tree in your backyard!

## GLEANERS

Volunteer with us to experience the satisfaction of what a glorious few hours of labor in the gardens to help feed some families feels like.

## GIVERS

Donate today to fuel our mission!
